## SUMMARY

A passionate software engineer with experience in Python, Java and cloud technologies. Proven track record in system architecture design, risk mitigation, and delivery of scalable, high performance applications. Strong background in web development, machine learning, and data analysis.

## TECHNICAL SKILLS

**Programming Languages:** Python, Java, SQL, Shell scripting

**Machine Learning & Data Science:** NumPy, Pandas, Scikit-learn, SciPy, Seaborn, OpenCV

**Tools & Frameworks:** Docker, GIT, AWS, Jira, Microsoft Excel, Power BI

## PROJECTS

### Neulmager

2024 – 2025

*Gel Imaging device*

*Python, OpenCV, Shell script, Docker*

- Built a Python Kivy GUI with real-time gel image capture, cutting retrieval time by 50%.
- Integrated Wi-Fi for seamless connectivity.

### Truheart

2023 – 2024

*Cardiac arrest detection device using ML*

*Python, OpenCV, AWS S3, Pandas, Docker, Ms Excel*

- Developed a PySimpleGUI-based GUI with camera and Wi-Fi management.
- Implemented image data collection protocols, enhancing analysis precision and increasing ROI detection accuracy by 40%.

### Anti-Phish

2021 – 2022

*ML based tool for detection and prevention of phishing websites*

*HTML, CSS, PHP, Python, Scikit-learn, MySQL*

- Researched mitigation strategies for phishing attacks.
- Developed a phishing detection system with 90% accuracy using Random Forest and a user-friendly interface.

## EXPERIENCE

### System Engineer

Jan 2023 – Present

*Neuome Technologies*

*Bengaluru, India*

- Developed scalable software solutions, proactively addressed technical risks to improve system stability and ensure timely delivery, and communicated key insights in technical discussions.

### Data Analyst (Freelance)

Aug 2022 – Dec 2022

*Nelise Consultancy*

*Thrissur, India*

- Analyzed data to drive decisions, optimized processes, and improved recruitment strategies.

### Intern web developer

Apr 2018 – May 2018

*KELTRON*

*Kochi, India*

- Designed responsive UIs and collaborated on server-side development.

## EDUCATION

**APJ Abdul Kalam Technological University**

Ernakulam, India

*Bachelor of Technology in Computer Science*

*Aug 2017 – June 2021*
